Description :

Thin black heavy duty cleaning and scouring hand pad, made of high quality synthetic fiber forming an open textured non-woven web, having abrasive cleaning particles evenly dispersed throughout the thickness and bonded to the web with a durable resin.

Product Advantages :

- Excellent scouring performances for all types of dirt.
- Conformable, can be used even for hard-to-reach areas such as corners.
- Open web, easy to clean.
- Doesn't release harmful ingredients.
- Can be used with hot water and usual cleaning chemicals.
- Long lasting.
- Consistent performances over the life of the pad.

Where and When to Use :

The product can be used wet or dry for scouring cookware pots and pans, for cleaning broilers and most equipment in the kitchen. It is also used for a variety of hand cleaning jobs in the industry, buildings... (scrubbing floors, stairways, desks, counters, ...)

The Scotch-Brite™ Ref. 530 is a heavy duty cleaning web and should be used on non-scratch sensitive surfaces.

Maintenance :

- Rinse the web after each use under tap water.

- If needed, remove deep embedded soil by brushing the pad with a nylon brush, or soak in a cleaning solution to dissolve cooked-on soil.
