

SekureMax an evolutionary chemical dispensing cabinet incorporating many innovative features designed to assist management of transport and storage costs

SekureMax has been designed to ensure the best compromise between accessibility and its total footprint whilst remaining easy to clean. Furthermore it is flexible enough to hold multiple sizes of chemical container covering 5lt.

SekureMax comes with the facility to lock the cabinet door using a universal plastic key, guaranteeing the appropriate level of security.

Packaging includes:

- Plastic key
- Screws and anchors
- Mounting bracket

Features

- Foldable system, reduced shipping and handling costs
- Modular with other cabinet and dilution systems
- Customizable
- Frontal case made in ABS plastic material
- Mounting bracket made in Nylon plastic material
- Stainless steel connection pins
- Totally tool free wall mounting

Field Application:

- General purpose, to fit 5lt, concentrate chemical jug.
